Can Kuwait solar tiles be exported

Overview

BIS officials conduct site visits, known as End-Use Checks (EUCs), globally with end-users, consignees, and/or other parties related to transactions involving items. BIS has developed a list of “red flags”, or warning signs, and compiled “Know Your Customer” guidance intended to aid exporters in identifying possible. The EAR regulates transactions involving the export, reexport, or transfer (in-country) of “dual-use” and less sensitive military items (commodities, software, and. The Consolidated Screening List(CSL), available on the International Trade Administration's Trade.gov website, is a list of parties for which the United States.
